A French Leather Inspired Afternoon Tea

Step into our Rose Lounge where the charm of French sophistication meets the quintessential British afternoon tea tradition. Our new menu, inspired by Memo Paris's French Leather fragrance, promises a sensory journey that will captivate your senses. Experience the delicate blend of rose and lime notes infused into our offerings, taking your finely cut sandwiches to another level with brioche, croissant, and mille-feuille.

Sip and savour from a curated selection of a wide variety of loose-leaf teas, each paired perfectly to elevate your experience and complement the exquisite creations crafted by our Head Pastry Chef, Lerrick Coelho. As the pièce de résistance, Chef Coelho has curated a special French Leather inspired cake, harmonizing the essence of the fragrance with delightful flavors.
