

Black Tea

Canton 1843

This is a tribute to the first tea called English Breakfast, created in New York in 1843.

Earl Grey

A clear difference to usual teas of the same name. Aromatic citrus, bergamot & liquor.

Darjeeling

Classic and highly desirable. Flavours of muscat grape and a fresh, rosy scent.

Assam

Here in its' purest form, it is a deep, dark, and deliciously assertive tea.

Green Tea

Jasmine Pearls

When jasmine is in bloom, tea pearls are blanketed with the fresh jasmine flower in the Guangxi Province.

Jade Tips

Picked from tea buses growing high in the mountains and hand rolled in a hot dry wok.

Dragon Well

One of China's most famous and sought after green teas. Young leaves are hand-picked from wild mountain tea bushes.

Infusions

Lemongrass & Ginger

The lemongrass in this infusion has vibrant citrus notes that harmonise with warming, aromatic Chinese Ginger Root.

Lychee & Rose Noir

Naturally sweet and soft. Bursting with deep and warm fruity notes.

Berry & Hibiscus

Hibiscus flowers offer a bright and slightly tart cranberry note, which meets the fruity flavours of blueberry, strawberry, and blackcurrant.

Chamomile

A particularly sweet, fruity and mellow flavour, with an aroma that evokes an apple orchard in late summer.

Triple Mint

Peppermint and spearmint are blended with lemon balm - A mint with a citrus hint.

Decaffeinated

Canton Decaffeinated

Sri Lanka's most remote province and high mountain climate gives this tea a rich, bold and full-bodied character.

Wild Rooibos

The richness of date and sweetness of vanilla come through in this rich, satisfying herbal infusion.

Karma

A mix of ginger, fennel seeds, cardamom, liquorice and rose petals make for the ultimate caffeine-free infusion.
