BRASSERIE

Welcomes you to
AFTERNOON TEA
at Kimpton Fitzroy London

Step into the storied heart of Bloomsbury, where the ritual of afternoon tea found its modern form.

In the 19th century, Anna, Duchess of Bedford, reimagined the hours between lunch and dinner, transforming them into a graceful interlude of tea, conversation, and indulgence.

At Fitz's Brasserie, nestled within Kimpton Fitzroy London, we pay homage to this elegant tradition in surroundings that echo the grandeur of a bygone era, with a spirit distinctly our own.

This is a time to pause. To reconnect. To linger over fine teas, exquisite patisserie, and the gentle hum of good company.

TEAS

Discover our range of loose-leaf teas, from timeless black blends to calming herbal infusions - each selected for its depth of flavour and distinctive character.

WHITE TEAS

Sweet & Mellow

White teas are predominantly produced in Southern China. Their sweet, often fruit flavour, soft texture and thirst quenching character lends them to all day drinking. The least processed of all teas, white tea production is characterised by a long withering stage, traditionally spring picked leaves are left to dry for up to 72 hours before being gently heated for a few hours.

JASMINE SILVER NEEDLE Yunnan, China

Delicate and mellow with uplifting jasmine fragrance

Produced in the neighbouring provinces of Yunnan and Guagnxi, the downy buds are picked early in Yunnan's spring and simply dried in the sun. Come August the tea is laid beneath a bed of fresh jasmine flowers for five consecutive nights imparting a fresh, fragrant jasmine aroma. Both delicate and soothing it's perfect for a calming moment in the afternoon.

GREEN TEAS

Vibrant, Grassy & Refreshing

Bursting with vibrant grassy flavours, a sublime natural sweetness and silky texture. There are hundreds if not thousands of green teas in China alone, we source from mostly China, with our Matcha coming from Japan. We find the best green teas are deliciously fresh – they taste green and alive. Much of the final taste is determined from the processing of the fresh leaf, with Dragonwell being pan fired leading to a gentle nutty flavour.

ORGANIC MATCHA SUPREME Kagoshima, Japan

Vivid, grassy, creamy, invigorating

Our Matcha has a deliciously sweet and deep flavour. The finest tencha leaves give it a vivid bright green colour. Producing Matcha is famously labour intensive – it can take up to one hour to grind just 40 grams of this tea, but the result when made correctly is well worth the effort. £3 supplement

RARE & SEASONAL

FLOWERING JASMINE AND LILY Fujian, China

Intense, fresh, floral

Green Tea from the Fujian province is used as a base to the floral scents of vibrantly coloured lily petals and jasmine blossoms. Each bulb is hand-tied and will unfurl and blossom on infusion. £9 supplement

DRAGON WELL GREEN Zhejiang, China
Vibrant, spring fresh, smooth, creamy hazelnut

China's most prized and famous tea, also known as long jing green. Produced in the hills surrounding Hangzhou's West Lake. Pan firing is the secret to the unique nutty flavour and its iconic flattened spear like shape. £2 supplement

ORGANIC JADE SWORD GREEN Hunan, China
Bright, green, grassy, spring fresh

This organic single origin tea is a textbook example of a bright and refreshing green tea. With a slight grassy note it is brisk and invigorating; just the thing to drink all day.

BLACK TEAS

Bold & Strong

The most common, but the most misunderstood tea type. We source tea from various origins including China, India & Sri Lanka to find the most authentic cup and the nation's favourites. Black teas can be beautifully rich and bold or gentle, fragrant and delicate. To be a black tea, leaves must be fully oxidised allowing the more robust flavours to develop.

ORGANIC DARJEELING 2ND FLUSH Darjeeling, India

Fragrant, rounded, warming

Our tippy Darjeeling 2nd Flush tea encapsulates the best of the summer season of this famous region. Lighter and more fragrant than other Indian black teas, this particular darjeeling tea combines warming and comforting aromatic flavours with a deeply refreshing taste and enough body to make it a classic afternoon tea.

RARE & SEASONAL

ORGANIC RED DRAGON Yunnan, China

Ripe, fruity, revealing

Red Dragon is a unique and exceptional tea, processed by masters as a Black Tea using a cultivar traditionally used for Oolong Tea. This gives the tea a syrupy, rich texture, fruity aroma and an enticing flavour of dark berries, ginger, caramel and chocolate. £15 supplement

VANILLA BLACK *Ruhana, Sri Lanka*

Sweet, fragrant, rich

Our Vanilla Black is a rich yet smooth tea scented with vanilla essence. The soft, creamy vanilla naturally sweetens the bolder black tea. A perfect afternoon or evening treat.

DECAFFEINATED CEYLON Ruhana, Sri Lanka

Rounded, smooth, warming

Enjoy the rich, satisfying character of our Ceylon blend, selected from the island's best gardens. Perfect for those looking to enjoy the unique taste of one of the world's great tea regions while avoiding caffeine.

ORGANIC CHERRYWOOD LAPSANG Yunnan, China

Smoke, incense, malty

A modern take on a classic, Organic Chinese black tea which has been smoked in the UK over cherry wood, inspired by traditional lapsang from the Wuyi Mountains.

EARL GREY *Darjeeling, India*

Energising, extremely fragrant citrus notes on a rich Ceylon base.

To create our Earl Grey we selected a delicious full-bodied black tea from Ruhana in Sri Lanka. Teaming this with a touch of bergamot tempers the richness and gives the tea the classic citrusy note. A long-standing favourite.

ASSAM BREAKFAST Assam, India

Broad, full, rich, malty

Whilst usually a blend, we source our Breakfast Tea from the finest tea gardens of Assam. This tea offers the perfect balance of strength, assertiveness and rich malty flavour, everything you need to start your day.

TISANE

Fresh, Uplifting & Aromatic

The term Tisane originates from ancient Greek and it was reintroduced by the French in the mid 20th century meaning a herbal or medicinal drink. Herbal teas promise the rich variety of the plant kingdom drawing on cultures and traditions worldwide. All of our tisanes are caffeine free.

ORGANIC WHOLE ROSEBUDS

Delicate, floral, enchanting

Whole rosebuds and nothing more. Picked when fresh and slowly dried, they retain all their natural goodness – essential oils, aroma and wonderfully enchanting flavour. £3 supplement

WHOLE PEPPERMINT LEAF

Refreshing, bright, intensely minty

Our peppermint tea is striking and strong with a fresh, intensely minty flavour. It aids digestion and cleanses your palate, it's a great way to round off a meal.

ORGANIC WHOLE CHAMOMILE FLOWERS

Full, mellow, floral

We insist on using whole flowers, simply picked and dried; this truly captures the delicate soothing character of this favourite infusion.

LEMONGRASS & GINGER

Bracing, refreshing, fragrant lemongrass, warming ginger

This infusion harnesses lemongrass and whole ginger to invigorate and provide a revitalising citrus lift, with a little spicy glow. Perfect as a post meal digestif.

BLACKCURRANT & HIBISCUS

Tart berry fruits with sweet floral aroma

This blend of blackcurrants, summer berries and hibiscus shells offers a vivid and lively infusion bursting with berry flavours.

OO LONG TEAS

Rich & Complex

The most varied and complex of all teas - regarded amongst connoisseurs to be the most exciting of all. The best Oolongs are produced in China & Taiwan where the climate and soil along with local expertise allow this complex tea type to come alive. This category of tea can be characterised by the partial oxidisation as well as the level of roasting.

ORGANIC PHOENIX HONEY ORCHID Guangdong, China

Rich, roasted nuts, fruit, flowers & honey

Hailing from the orange groves nestled in the Phoenix mountain range in the Guangdong province, this complex yet accessible Oolong brings notes of orange, vanilla and honey. Pair this tea with savoury dishes and the honey flavour from the elegant long leaves will come to life even more. £2 supplement

ORGANIC WUYI Fujian, China
