

## THE DRAWING ROOM

Over the years, The Drawing Room has been the beating heart of The OWO, welcoming many famous guests throughout its rich history for drinks and top-secret meetings.

Today, The Drawing Room remains at the heart of Raffles London at The OWO, where the afternoon tea is inspired by traditional English flavours and sweet delicacies served with a selection of expertly blended teas, created by Camellia's Tea House.

Our Executive Pastry Chef, Dale DeSimone was inspired to create a menu that captures the essence of English cakes and treats by utilising contemporary cooking techniques to extract the most flavour and natural colours from the hand-selected, high-quality, local produce.
