## WELCOME

Welcome to The Grand's Afternoon Tea served in the Salon in Madeleine's Bar. This slice of Parisian chic on Colmore Row is full of character and history, we encourage you to take in all the iconic features and history The Grand has to offer.

Afternoon tea brought to you by Head Pastry Chef Mustapha Rahimi and his team, influenced on seasonal flavours and delivered using French patisserie techniques, now served with a Grand twist with elegance and flair into a delightful afternoon experience.

Afternoon tea, a classic English delicacy which was first dreamt up by Anna Russell, the seventh Duchess of Bedford in 1840 - a close, friend of Queen Victoria.

The Duchess asked for some cake, a pot of tea and some bread and butter one mid-afternoon so that she could fill 'that sinking feeling' she felt during the mid-afternoon.

This soon became a fashionable social event for Anna and her high society friends.
