

# Be Our Guest A WINTER'S TALE AFTERNOON TEA

Inspired by La Belle et La Bête, a fairytale written and first published by French novelist Gabrielle-Suzanne Barbot de Villeneuve in 1740 and famously re-told by Walt Disney Feature Animation as "Beauty and the Beast".

Our afternoon tea is thoughtfully curated by

Executive Chef Luke Rayment-Blakey to

celebrate the delicate marriage of bold

flavours and delicate techniques, playfully
incorporating some of the much-loved scenes

and characters with a Waldorf twist.
