BLACK TEAS

Organic Darjeeling 2nd Flush – Barnesbeg, Okayti & Pussimbing Estates, Darjeeling, India

Grown in the foothills of the Himalayas this tea encapsulates the freshness of the Darjeeling hills, thick with lush vegetation, and the warm summer season. A highly aromatic tea with grape sweetness, toasted hay and hop notes – the perfect afternoon pick me up. Organic Darjeeling 2nd Flush perfectly paired with fruit or plain scones with lashings of cream and jam but also for savoury sandwiches.

Chai – Assam, India (Dairy, Mustard)

Inspired by the masala Chai we have enjoyed on the streets of Kolkata, we use our Assam Breakfast black tea as the base with an aromatic blend of ginger, cinnamon and cardamom for a warming and indulgent tea. Chai is perfect for an early evening comforter with its warming notes of cinnamon and cardamom. Ideal match for cakes with these flavour profiles.

Assam Gold - Assam, India

The abundant, golden-coloured buds are the highest grade and contribute to the rich, honeyed, and toasty flavour of this single garden Assam tea.

Red Dragon - Yunnan, China

A unique black tea crafted using an imported tea cultivar from Taiwan that is normally used to make oolong tea. Grown in agriculturally organic tea gardens, it has a distinct tropical fruitiness from the cultivar and a complex, aroma and taste from the high-mountain terroir.

WHITE TEA

Jasmin Silver Needle - Fujian, China

The youngest, sweetest tea buds are carefully plucked and withered slowly in the sun to create a pure, silver-needle white tea. Before being traditionally scented with fresh, whole jasmine flowers over five consecutive nights.

This pink-hued infusion feels jammy on the palate and is complemented by the gently sour, fruit character. Delivering complexity and elegance with a delicately floral finish.

Organic Whole Rosebuds - Morocco

A delicate and enchanting infusion, with an intense floral aroma and smooth, sweet taste. Whole rosebuds are simply picked when fresh and slowly dried to retain essential oils, aroma, and flavour. The leaf gives a gentle complexity to this highly floral infusion.

Sparkling Jasmine Pearls - Fujian, China

JING's delicious sparkling tea will take you on a moreish taste journey. You'll find heady jasmine aromas with a smooth and refreshing green tea depth, subtle fruit notes, hints of honey, and a dry texture. Crafted using Jasmine Pearls green tea, slowly infused in cold, filtered water to bring out the perfect balance of rounded green tea body and high floral aromas. The liquid is then delicately carbonated to give a soft, gently sparkling finish.
