One hundred years ago, A. A. Milne invited readers into a quiet woodland world filled with gentle adventures, simple pleasures and the magic of childhood imagination.

To celebrate the centenary of these beloved stories, we invite you to join us on an interpretation of a timeless English afternoon tea.

Inspired by the charm and innocence of the Hundred Acre Wood, Afternoon Tea at The Adria draws upon the beauty of nature, thoughtfully chosen ingredients and the simple joy of sharing a special moment together.

Whether you are here to celebrate, to unwind, or simply to savour a peaceful afternoon, we hope this experience offers a welcome escape from the everyday.

From woodland paths and hidden doors to delicate floral touches and carefully crafted treats, each detail has been designed to evoke the warmth, wonder and nostalgia of a cherished storybook.

We hope your Afternoon Tea leaves you with a favourite memory of your own.

THE ENGLISH RITUAL
OF AFTERNOON TEA

In England, afternoon tea is more than a meal;
it is a cherished tradition.

Born in the drawing rooms of the 19th century,
it was a gentle pause in the day—
a moment to gather, to converse and to delight
in the simple pleasure of good things.

At The Adria, we honour this timeless ritual
with an interpretation inspired by the
charm of the Hundred Acre Wood.

Each element of our Afternoon Tea is
thoughtfully prepared, from delicate finger sandwiches
and warm, freshly baked scones
to exquisitely crafted patisserie.

We source the finest ingredients, celebrate the
beauty of the seasons and pay tribute to the
wonder of nature in every detail.

So take a seat, relax and enjoy this
special moment—just as it was
always meant to be.

NEWBY TEA SELECTION

WHITE TEA

Silver Needle

An exquisite white tea from China's Fujian Province, silvery leaf buds are plucked in spring and left to dry naturally in the sun for a clean, pure and delicate finish.

It produces a pale-yellow cup with aromatic notes of melon and honey. Slightly creamy with a clean, refreshing finish.

BLACK TEAS

English Breakfast

According to legend, this full-bodied black tea owes its popularity to Queen Victoria, who is said to have enjoyed the blend with breakfast. Newby's English Breakfast produces a dark-amber cup boasting a malty flavour with a refreshing hint of citrus and a prolonged spicy after taste.

Assam

Hailing from the remote Assam region of northeast India, Newby uses whole leaf second-flush Assam tea. The product of high temperatures and lush monsoons, this luxury blend makes a brisk bright-amber cup, full-bodied and malty with hints of sweet honey.

If you have any questions about allergies or intolerances, please ask your server. Our products are made in an environment where allergens are present, which will result in a risk of cross-contamination.

NEWBY TEA SELECTION

FLAVOURED BLACK TEAS

EARL GREY

A British classic and a royal favourite, Earl Grey takes its name from the eponymous Prime Minister who so loved the scent of bergamot and orange in smooth black tea. The archetypal British blend, combining fine black tea with sweet yet subtle bergamot oil. Rich and balanced with a citrusy edge, it gives a bright-amber cup with a fragrant citrus aroma and smooth finish. Balanced and full-bodied with sweet hints of bergamot.

MASALA CHAI

An uplifting blend infused with rich, warming flavours, Masala Chai has long been part of the Indian culinary experience. While many variations exist, with milk and sugar sometimes blended with the black tea, the addition of spices is integral. Made with fresh, locally sourced cinnamon, clove, black pepper, cardamom and ginger, our Masala Chai has an irresistible edge. A dark-amber cup with a fragrant aroma, a sweet, spicy taste and full-bodied finish.

FLAVOURED GREEN TEAS

MOROCCAN MINT
