AFTERNOON TEA DELIGHTS

A seasonal pâtisserie selection inspired by ARgENTUM's elemental archetype fragrances, Fire, Air, Water and Earth ~ crafted by our award-winning Pastry Chefs.

Raspberry Tartlet

This pastry belongs to Fire for its bold character and passionate, fragrant notes. The heat of pink peppercorn, the sensuality of rose, and the vibrant intensity of raspberry come together with a flicker of spice, making it radiant, romantic, and alive.

Bergamot Orange Pavlova

Air is the natural home for this pavlova. Light as a cloud, with citrusy bergamot and the bright lift of ginger, it dances on the tongue. The crisp meringue and airy mascarpone give it buoyancy, clarity, and a refined sense of movement.

Valrhona Chocolate Choux

This choux flows with depth and emotion making it perfect for Water. The dark richness of chocolate, the lush, almost mysterious quality of black cherries, and the cool breath of spearmint create a fluid, sensual experience ~ soothing yet stirring.

Almond Swiss Roll

Rooted and nurturing, this roll is pure Earth. The warmth of almond and cinnamon, the golden sweetness of honey, and the soft stone-fruit roundness of peach offer a grounded, comforting elegance ~ like something harvested and handmade with care.
