

# THE HUNDRED ACRE BLOOM: 100 YEARS OF WINNIE-THE-POOH

12TH MAY - 7TH JUNE 2026

For the highly anticipated 12th edition of sketch in Bloom, the iconic Mayfair ‘destination for experimentation’ presents a floricultural tribute inspired by the landscape behind the words of A.A.

Milne and the decorations of E.H. Shepard. Marking 100 years since the publication of *Winnie-the-Pooh*, the exhibition is an ode to the English woodland, literary nostalgia, and the poetry of the everyday.

*“A little consideration, a little thought for others,  
makes all the difference.”*

A. A. Milne

*The art of making a good cup of tea is balancing the flavour and texture. This happens by controlling the temperature of the water and the time that the leaves are left to infuse. Edward Bear Key Charm 6" - £59

A Merrythought Edward Teddy Bear... a gentle echo of a story once told. A beautiful homage to the bear who famously inspired A.A. Milne's *Winnie-The-Pooh*. Given as a gift to Milne's son, Christopher Robin, the bear was later affectionately renamed 'Winnie' after a memorable visit to see Winnipeg, a resident black bear at London Zoo. Inspired by the original makers at Farnell Toys and handcrafted today by Merrythought, each bear comes with its own numbered certificate of authenticity, a timeless keepsake to treasure for life.

And now, as Her Majesty the Queen recently visited the New York Public Library's celebrated *Winnie-The-Pooh* collection during its centenary year, these beloved bears continue to embody a timeless symbol of childhood wonder, storytelling, and British heritage.
