Hello, adventurer!  
Welcome to the world of  
Fortnum's, where you'll  
discover great games, fun  
facts and jolly jokes!

Explore your  
way across the  
Americas and see  
where you end up.

In 1928, we sent  
food to explorers  
travelling the world  
on a blimp!

There are no polar  
bears in the South  
Pole! (Either that  
or they're hiding  
very well.)

The first animals  
to fly in a hot air  
balloon were a  
chicken, a duck  
and a sheep. The  
sheep steered!

# THE WONDERFUL WORLD OF FORTNUM & MASON

Until 1936, we  
had a look-alike  
Fortnum's shop  
in New York!

NEW YORK

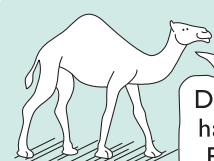

We keep our own  
bees and give each one  
a name! (Remembering  
them all is hard.)

We helped Howard  
Carter and his  
team discover  
Tutankhamun's tomb.

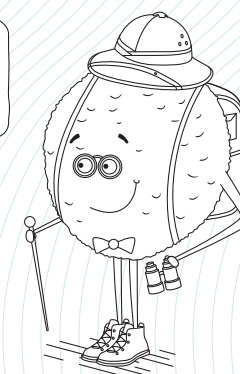

Did you know our food  
has travelled up Mount  
Everest and along the  
River Nile?

In 2014, four  
rowers, powered  
by Fortnum's food,  
broke the world  
record for the fastest  
Indian Ocean Row.

In 1738, we invented the  
Scotch Egg – a delicious snack  
and perfect adventure food!

What did one  
ocean say to  
the other?

Nothing. It  
just waved.
