## ***Earl Grey***

The Earl Grey tea is world famous.  
Created by Richard Twining in 1831 at the request of Prime Minister  
Charles Grey. He loved it so much he put his name on it!

## ***English Breakfast***

Golden and well rounded. It's a tea with a lot of body and a  
light finish

## ***Pure Green***

One afternoon in 2737 BC, Shen-nung, Emperor of China, was  
having a picnic. Tea leaves floated from a tree into a pot of water he  
was boiling. He drank it anyway, loved the taste and green tea was  
born

## ***Camomile***

Harvested during the warm summer months, selecting the pollen  
heads, as they're the sweetest part. This delicate floral infusion is  
traditionally used to help you relax

## ***Cranberry & Raspberry***

This blend brings you the best of both delicious fruits: the tart  
sweetness of cranberries, balanced with the gentle tang of  
raspberries and a touch of fragrant elderflower. The result is a  
delightfully lively infusion, bursting with the taste of summer

## ***Peppermint***

Harvested when the leaves are rich in essential oils. It's what makes  
this infusion taste so minty and invigorating. Perfect for an Afternoon  
tea
