TEAS

We are very proud to be partnering with Tea Palace to help curate our selection of fine teas. They are dedicated to leading the rediscovery of a 'proper cup of tea' and sharing our passion for teas and infusions with tea lovers everywhere.

GREEN

Organic Sencha

Organic and uses lustrously green, whole tea leaves of the highest-quality; specially selected for their fresh, vegetal aromas and crisp refreshing flavours.

OOLONG

Iron Goddess of Mercy

Iron Goddess is a particularly fine example of oolong as it has a nutty, slightly sweet taste with stone fruit hints for a complex, invigorating and refreshing cup.

BLACK

Earl Grey

A secret recipe of the finest black Chinese leaves and pressed Bergamot citrus fruits. These two luxury ingredients are blended together for a bold, delicious, classically aromatic flavour.

Lapsang Souchong

Full-bodied and smoky it is often likened to a good Islay Whisky. Lapsang Souchong is probably the most famous Chinese black tea, it makes an amazing accompaniment with savoury dishes.

Finest Darjeeling

A bright cup, slightly grassy, fresh and yet surprisingly full at the finish; its wonderful unique character and well-rounded profile explains its universal appeal.

Covent Garden Blend

A blend of the finest whole-leaf Chinese Yunnan tea, pure peppermint leaf and flashes of cobalt blue cornflowers for a slightly sweet, spicy and aromatic tea.

Palace Breakfast

Award winning Palace Breakfast Tea is an energising, full-bodied, aromatic black tea, perfect for the first cup of the day. The signature Breakfast Tea in here is utterly unique to Tea Palace, we create our blend from just two luxury, single origin teas from the oldest and nest tea gardens in Assam and Ceylon.

FLORAL & HERBAL

Jasmine Silver needles

Fragrant jasmine scented white tea, Jasmine Silver Needles marries the delicate taste of white tea with the scent of jasmine blossoms. Packed with antioxidants and often low in caffeine, this tea is refreshing and energising.

Organic Abruzzo Olive Leaf

Specially selected organic olive leaves from Abruzzo in Italy are hand-picked producing a strong copper liquor and woody aroma and flavour with a distinct sweetness and very subtle olive undertones.

Peppermint

Pure Organic Peppermint is made with certified organic peppermint leaves and nothing else, using only a very special cut of pure peppermint leaf for a delightful note of caramel on the finish.

Rooibos

Naturally caffeine free, it contains high levels of antioxidants, Vitamins C and E and minerals such as iron, potassium and zinc, as well as anti-ageing properties

Chelsea Rose

A refined, aromatic and slightly sweet blend of the finest complex and spicy Chinese black tea leaves with fragrant rose petals. A dark gold liquor is produced with sweet perfumed aromas and complex, black tea flavours with distinct floral notes.
