

The background is a detailed stained glass design. At the top, an arched window looks out onto a landscape with a large, pale sun or moon in a yellow sky, surrounded by soft, colorful clouds. Below the horizon, there are rolling hills in shades of green and blue. In the foreground, several large, stylized roses in various colors (yellow, orange, pink, and white) are in bloom, surrounded by green leaves. The entire scene is framed by a decorative border of smaller floral and geometric patterns.

Enchanted Garden Afternoon Tea

Inspired by La Belle et La Bête, a fairytale written and first published by French novelist Gabrielle-Suzanne Barbot de Villeneuve in 1740 and famously re-told by Walt Disney Feature Animation as "Beauty and the Beast".

Our afternoon tea is thoughtfully curated by Executive Chef Malcolm Camilleri to celebrate the delicate marriage of bold flavours and delicate techniques, playfully incorporating some of the much-loved scenes and characters with a Waldorf twist.
