PMD HERBAL INFUSIONS

Specially selected by Reign

ROOIBOS

Unique to the western cape of south Africa this bright orange infusion that is rich in vitamin C, iron and magnesium.

PEPPERMINT LEAVES

A cherished herbal tea that has been used for centuries to aid digestion that leaves a fresh minty tang to the mouth. Best enjoyed after a meal as a pallet cleanser or a digestive aid.

LEMONGRASS & GINGER

Aromatic and refreshing, the fusion of fresh, zesty Lemongrass with spicy, sweet ginger produces an uplifting herbal concoction.

PLANTERS' MISTRESS

A scandalous take on a much-cherished aristocratic classic. A light, golden tea scented with bergamot, orange and lemon peel that leaves the pallet feeling refreshed with a pleasant citrus flavour.

PLANTERS' AFTERNOON

The traditional afternoon tea of cakes and sandwiches is best taken with a bright and fragrant tea. This award-winning afternoon tea is hand-picked on the rolling hills of Ceylon's Uva region.

PLANTERS' EARL GREY

The most aristocratic of teas is infused with the unmistakable aromas of bergamot. To balance the citrus, you need a bold tea. This Earl Grey is hand-picked and infused with a drop of natural bergamot oil.

PLANTERS' GREEN

Grown on the high peaks and hand-plucked to fully satisfy the green tea connoisseur, a large leaf tea curled and pan heated to produce a light mellow brew with a delicate flavour and aroma.

PLANTERS' CHAI

A spicy taste with hints of cinnamon, this tea is made using natural Ceylon spices, which are then carefully married with high grown tea to give a brew that is both reviving and calming.

SILVER TIPS

A rarity among the distinctive white teas. These silver tips are hand-picked before sunrise on Brunswick estate, Maskeliya. It takes almost 5 kilos of hand-picked buds to produce 1 kilo of this very special tea. There is subtly woven within the intricacies of this tea, which contains a aromatic scent and a matchless taste that varies with each brew.

MATTAKELLE GOLDEN CURLS

A fusion of Japanese and Sri Lanka flavour. Golden curl is grown on Mattakelle Tea estate on the western slopes of Sri Lanka. The tea is harvested from a Japanese tea bush known as Benifuki that was gifted to the estate. The tea is harvested from one leaf and a bud. It has a natural rosy aroma with a jasmine floral flavour. Best enjoyed with pastries and without milk.

SERENDIPITY SOUCHONG

A tea which flourishes at sea level and is gently smoked over cinnamon wood, furnishing it with a fragrant smoked note. The finish in this cup is a whisper of spicy sweetness and splendour.

CHAMOMILE

Light and refreshing, Chamomile Flowers possesses a clean and sweet flavour that finishes with delicate floral notes. It contains an active ingredient bisabolol.
