

Tea

Extract Tea is ethically sourced from the world's finest tea gardens. Plucked and processed by hand, then skilfully blended. Even better, every cup of Extract Tea supports there GroundsUp charity collective, helping community projects here in the UK.

English Breakfast Tea

Our ethically sourced English Breakfast tea has a rich golden liquor, a bold, malty taste and extracts quickly and smoothly. A blend of two teas, the first from the Rutsiro Tea Garden in Rwanda. The second component comes from the Tonganagon Tea Garden in Assam.

Darjeeling

This second flush Darjeeling is exclusive to Extract Tea. It's full-bodied and has a gloriously rich amber colour with light floral notes. The Arya Tea Estate is one of the last family-owned single estates in Darjeeling and is famed for its award-winning organic teas grown at high altitudes.

Earl Grey

The Earl Grey is blended with dried cornflowers to produce a bright golden liquor with a subtle bubblegum sweetness and floral notes. This delicate earl grey tea is from the Rutsiro tea garden in Rwanda, handpicked from young bushes at around 2340m above sea level.

Jade Tips Green

The Jade Tips Green is grown in yellow-black sandy loam soils in Xinyang. Young, tender leaves and buds are plucked from carefully selected plants. Leaves are pan-fired before being hand-rolled and dried. The tea has a clean floral flavour with a long-lasting sweet finish.

Mint

Our herbal mint infusion is a blend of three different types of mint. We love the balance between the heat of peppermint, the subtle sweetness of spearmint and lemon balm to create this delicious tasting mint tea.

Organic Ginger & Lemongrass

The ginger in this invigorating tea is sourced from organic farms in Kerala and Karnataka, where the humid climate makes ideal growing conditions.

Kao Shui Jasmine

Green tea is layered with jasmine flower buds and left for 12 hours overnight. During this time, the buds open, releasing their floral scent into the tea. The buds are removed, creating distinct floral notes of jasmine and a touch of green tea astringency.

Coffee

We also serve a range of coffee for those who would prefer. Supplied by our partners Extract Coffee who travel the world sourcing the best Arabica beans.
