# INTRODUCTION .....

Each year, Disney Princesses gather to add a new treasure to the Royal Recipe Book, a collection of their most magical creations. This season, they've invited you to join as an honorary Princess Consultant and official taste tester, helping decide which enchanting dishes will be written into the next chapter.

Delight in a whimsical selection of savoury sandwiches, each creatively moulded into symbols inspired by the iconic Princess tales such as a cheese wedge that even Gus couldn't resist. Before enjoying showstopping sweets, from the "Heart of Te Fiti" a white chocolate and matcha spiral with pink and white flowers, inspired by the central symbol from Moana.

Before you go, cast your vote with our Royal Card and take home your certificate as proof of your royal role.
